

von KARMAN INSTITUTE FOR FLUID DYNAMICS

CERTIFICATE OF ATTENDANCE

Hands on Machine Learning for Fluid Dynamics

This is to certify that

Artur Lidtke

has attended the course on "Hands on Machine Learning for Fluid Dynamics", hosted by the von Karman Institute of Fluid Dynamics from 13th February to 17th February 2023. The course was held in double format 'online' + 'onsite'.

The course consisted of twenty lectures of 1h30 (30 hours), covering the fundamentals of machine learning and python programming, optimization, regression, dimensionality reduction and reinforcement learning.

Rhode-Saint-Genèse, 17 February 2023

Course Director

Prof. Miguel A. Mendez
